The **Secret Millionaires Club**, an animated TV and web-based series, is a fun and interactive way to teach your students basic concepts in financial literacy. The series features the most successful investor of our time, Warren Buffett! Mr. Buffett acts as a "secret" advisor to a group of fictional kids as they work to find solutions to real-life business and financial problems.

Secret Millionaires Club Learn & Earn brings the animated series into the classroom with activities based on Common Core State Standards and Jump\$tart National Standards in K-12 Personal Finance Education. **Everything is FREE for educators!**

— THE ANNUAL —

GROW YOUR OWN BUSINESS CHALLENGE

The annual "**Grow Your Own Business Challenge**," a cornerstone of the **Secret Millionaires Club** program, asks kids 7 through 14 to enter ideas for new businesses.

The Grand Prize is \$5,000, plus a chance to meet Warren Buffett. Teachers win, too!
